Chapter 1 by Phantim

I remember the first time we talked. It was after school. I was filling out a questionnaire for class and I was stuck on the last question.

"What do you want to do after high-school?"

The question repeated in my head over and over. I didn't know.

/Go to college? Get a job? Travel?/ None of it really sounded that appealing to me. I was stuck on the question for so long that soon I was the only one left in the classroom. It was then that he passed the open door in the hallway and looked in at me. We had class together but had never talked, his name was Tim.

"Still working on that?"

"Mhmm... I'm stuck on the last question," I admitted.

He walked in the room and smiled at me, in a way no one really had before. Then he looked me in the eye and said "Put, 'Be Happy'. Isn't that all any of us really want?" With that, he gave me a

thinking about something like that at this age. I quickly put a stop to that when I kept hitting him with a wooden plank until tomato sauce spilled out of his head. Crazy Tomato man.

Chapter 2 by Sheygull

I hate when the sauce stains my clothes. I really hate it. Luckily, after getting so many stains over time I carry one of those magic cleaner sponges. It really is magical, considering the amount of sauce that tends to attack my clothes.

I took my questionnaire and left. Trying not to leave anything that makes me look guilty. Although I wasn't. He was the one to blame. He was the one who said I was wrong and thought I was crazy. Clearly I'm not.

As soon as I arrived home I went directly to the bathroom and took a bath.

While at the bathtub I started to think of Tim. Oh how I love him. Tomorrow I'll bring him lunch. I'll cook it with all my love, and surely he will fall for me.

That night I prepared the lunch for Tim and me. I will ask him to eat together, and with the little spice I added to the food he will not be able to resist my charms. As I read in a book not so long ago, a drop of my blood will bind him to me...

"Erk! Yuck! What is that?!" Exclaimed Tim as he tasted the dish i had prepared.

Realising that he had just said that out loud, he apologised and ate quickly.

I smiled, "Its ok, i'm not too good at cooking. Its just it was a family recipe, my grandma's actually. She died a few days ago" I smiled at the lie.

"Oh my god, i'm so sorry! Uh, maybe some salt will make it taste better!"

So i put salt in it for him. The next day people were saying we were dating. Tim got mad at the

That didn't really change anything. The school was placed on lockdown following the discovery of the Tomato man. Something about homicide.

Wasn't my fault in the first place.

Chapter 6 by The Coffee Freak

Tim and I got drafted to the same school after they found the Tomato man. We have the same schedule and the same teachers. I asked the secretary if we could have lockers next to each other. She told me no. When I told her that Tim and I were meant to be she laughed and told me I was crazy. But I am not crazy! She's just like the Tomato man now, I got tomato sauce on my clothes again. I managed to get into the data base so that me and Tim will have lockers right next to each other. We are truly meant to be. The Tomato Lady is in the cabinet under her desk. It wasn't my fault, not at all, it was all her.

Today, Tim got moved, his locker is next to mine. I can't wait to see him everyday! I'm really mad though, he started hanging out with a girl named Carly. I saw Carly kiss him. But Tim is mine and mine alone.

Carly must be related to the Tomato man and the Tomato lady. Tomato Sauce spilled out of her head too! They must be the family of crazy tomatoes. I put Carly in her locker. I can't wait to see Tim tomorrow. He'll be so happy when I tell him that the crazy Tomato girl named Carly won't bother him anymore.

Chapter 7 by Kemo-sabi

Tim was so happy that that rotten Tomato girl won't come between US anymore that he cried. Now we will be together forever.

We had a meeting in the gym today about the Tomato family. Who care's it's their fault. Not mine. Tim and I will be together for all eternity, he is mine, MINE. He will be so happy, I just know it. We are going to go away just me and my love to be together forever.
